PHARMAKO BIOTECHNOLOGIES SPONSORS SPORTS NUTRITION SUMMIT IN AMSTERDAM

Pharmako Biotechnologies and our sister company Gencor Pacific are proud to be the Diamond Sponsors of the Sports Nutrition Conference this week in Amsterdam.

The NutraIngredients Sports Nutrition Summit Europe is back for a second year! Bringing together industry and research professionals in the sports nutrition space, the Sports Nutrition Summit Europe aims to bridge the gaps between cutting edge science, business strategy and key regulatory developments.

The conference is attended by delegates from companies including: GNC, Enervit, Sci-MX, The Hutt Group, Lucozade Ribena Suntory, Glanbia Performance Nutrition, Kinetica Sports, USN, Enervit, Nutrabolt, Healthspan Elite, 4+ Nutrition, Nordic Nutrition, Fonterra, AstaReal, Volactive, Provis, Lipofoods and other international brands and companies.

Dr Paul Clayton, Fellow, Institute of Food, Brain and Behaviour, Oxford University, is presenting on behalf of Pharmako. His topic is: A crucial balance. Modulating inflammation with diet to optimise training, performance and recovery.
